Furthermore, each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to a successor in title to a Lot unless

expressly assumed by them but, subject to the provisions of this Declaration, delinquent assessments shall continue to be a lien upon such Lot. Developer shall not be liable for assessments on Lots which it owns, unless it expressly agrees to be liable.

If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Furthermore, special assessments may be assessed against specific Lots for violations of these restrictions and the provisions of the Articles of Incorporation and Bylaws of the Corporation, which are caused by the owner of such Lot. In the event the Owner of a Lot fails to comply with the provisions of Article 11 hereof, the Corporation may take necessary action to remedy such matter and levy the cost of such performance against the Owner of such Lot and such Lot as a special assessment.

ARTICLE 8

LIEN FOR ASSESSMENTS

Replaced in entirety – Henderson County Registry Book 3378 Page 706 dated 8/28/2019

A. Any assessment levied against a Lot remaining unpaid for a period of thirty (30) days or longer shall constitute a lien on that Lot when filed of record in the Office of the Clerk of Court of Henderson County in the manner provided in Section 47F-3-116. The Association may foreclose the lien in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. For purposes of foreclosing a lien, the Association is the "mortgagee" and "trustee", as defined by N.C. Gen. Stat. §45-21.1, of said lien with a power of sale. As the owner of the indebtedness secured by the lien, the Association, acting through the Board may, in its discretion, substitute a trustee in accordance with N.C. Gen. Stat. § 45-10, by the execution of a written instrument properly recorded pursuant to Chapter 47 of the North Carolina Statutes. Fees, charges, late charges, fines, collection costs, reasonable attorney's fees, and interest charged pursuant to Sections 47F-3-102(10), (11), and (12), 47F-3-107(d), 47F-3-107.1, and 47F-3-115, the Declaration, Bylaws, and Rules and Regulations, are enforceable as assessments under this Section.

B. The lien under this Section is prior to all other liens and encumbrances on a Lot except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the Lot) recorded before the docketing of the claim of lien in the Office of the Clerk of Superior Court, and (ii) liens for real estate taxes and other governmental assessments or charges against the Lot. This subsection does not affect the priority of mechanics' or materialmen's liens.

C. A lien for an unpaid assessment is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the docketing of the claim of lien in the Office of the Clerk of Superior Court; provided, that if an Owner of a Lot subject to a lien under this Section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

D. This Section does not prohibit separate collection actions to recover sums which are personal obligations of Owners and for which subsection (a) creates a lien or prohibit the Association taking a deed in lieu of foreclosure.

E. A judgment, decree or order in any action brought under this Section shall include costs and reasonable attorney's fees for the prevailing party.

F. Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a Lot, obtains title to the Lot as a result of foreclosure of a first mortgage or first deed of trust, such purchaser, and its heirs, successors and assigns, shall not be liable for the assessments against such Lot which became due prior to acquisition of title to such Lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all Lot Owners including such purchaser, and its heirs, successors and assigns.

ARTICLE 9

ENFORCEMENT

Replaced in entirety – Henderson County Registry Book 3378 Page 706 dated 8/28/2019

A. Rules Making Authority. Pathways of Solomon Jones shall be used only for those uses and purposes set out in the Declaration and Bylaws. The Board of Directors shall have the authority to make, modify, repeal, and to enforce reasonable Rules and Regulations governing the conduct, use, and enjoyment of Lots and the common elements, so long as copies of all such Rules and Regulations are furnished to all Owners; provided, however, any Rule or Regulation may be repealed by the affirmative vote or written agreement of a majority of the total Association vote at an annual or special meeting. No rule or regulation shall be in conflict with either the Declaration or the Bylaws.

B. Fining Powers. Pursuant to Sections 47F-3-102(a)(11) and 47F-3-107.1 of the Planned Community Act, after notice and an opportunity to be heard, the Board shall have the power to impose fines in an amount not to exceed One Hundred Dollars (\$100.00) per violation, such amount to be assessed per day for a continuing violation, for any violation of any duty imposed under the Planned Community Act, the Declaration, Bylaws, or Rules and Regulations

duly adopted pursuant thereto against Owners or occupants, which fine(s) shall constitute an assessment against the Lot, and become a personal obligation of the Owner, and a lien upon the property; to suspend an Owner's or occupant's right to use the common elements; and to suspend an Owner's right to vote. In the event that any occupant of a Lot violates the Planned Community Act, Declaration, Bylaws, or the Rules and Regulations and a fine is imposed, the fine shall first be assessed against such occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Resident Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Planned Community Act, Declaration, Bylaws, or Rules and Regulations, shall not be deemed a waiver of the right of the Board to do so thereafter. Additionally, Owners waive and release any defense that enforcement is or may be selective. Charges for late payments of assessments are not to be regarded as fines that warrant a hearing under this section.

C. Abatement and Enjoinment of Violations. In addition to any other remedies provided for herein, the Association through the Board shall have the power to enter upon a Lot or any portion of the common elements to abate or remove, using such force as may be reasonably necessary, any erection, thing, or condition which violates the Declaration, Bylaws, or Rules and Regulations. Unless an emergency situation exists, the Board shall give the violating Owner ten (10) days written notice of its intent to exercise such abatement and an opportunity to be heard. All costs of abatement, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

Additionally, the Association through the Board shall have the power to enjoin or to remedy by appropriate legal proceeding, either at law or in equity, the continuance of any violation of the Declaration, Bylaws, or Rules and Regulations. All costs of any such legal action, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

D. Enforcement. In accordance with Section 47F-3-107.1 of the Planned Community Act, the Board of Directors shall not impose a fine or charge for damages against an Owner or suspend an Owner's community privileges or services unless and until the following procedure is followed:

Notice. If it appears that an owner is in violation of the Declaration, Bylaws, or Rules and Regulations, the Board shall give the violator written notice of the alleged violation. This notice shall state: (i) the nature of the alleged violation; (ii) the date, time and location that the violator will have the opportunity to be heard to explain why the owner is not in violation of the Declaration, Bylaws, or Rules and Regulations; (iii) that any statements, evidence and witnesses may be produced by the violator at the hearing; and (iv) that the owner has the right to be represented by an attorney at the hearing.

Hearing. The hearing shall be held before the Board of Directors and the violator shall be given a reasonable opportunity to be heard. If it is decided that a fine should be imposed, a fine not to exceed one hundred dollars (\$100.00) may be imposed for the violation and without further hearing, for each day more than five days after the decision that the violation occurs.

Such fines shall be assessments secured by liens under G.S. 47F-3-116. If it is decided that a suspension of privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured. The Board shall render its Final Decision to the Owner regarding imposition of the fine or suspension of community privileges or services. Charges for late payments are not to be regarded as fines that warrant a hearing under this section.

ARTICLE 10

PROPERTY RIGHTS OF LOT OWNER, CROSS-EASEMENTS, AND EXCEPTIONS AND RESERVATIONS BY DECLARANT

- A. Every Owner of a Lot within the Subdivision, as an appurtenance to such Lot, shall have a perpetual easement over and upon the Community Use Areas within the Subdivision, including the area shown on the recorded plat as "Common Use Area" for each and every purpose or use to which such Community Use Areas were intended as determined by their type, or for which such Community Use Areas generally are used.

Such easements shall be appurtenant to and shall pass with the title to every Lot located within the Subdivision, whether or not specifically included in a deed thereto, subject to the following provisions:

1. The Developer or the Corporation shall have the right to make reasonable rules and regulations respecting the use of same.
 2. The Developer or the Corporation shall have the right to suspend the voting rights of a Lot Owner and his right to use the Community Use Areas within the Subdivision for any period during which any dues assessment against such Owner's Lot remains unpaid as is provided in Article 9 hereof, and for a period not to exceed sixty (60) days for any infraction of its published Rules and Regulations.
 3. The Developer or the Corporation shall have the right to charge reasonable admission and other fees for the use of any recreation facility situated upon the Community Use Areas.
- B. The Developer or Corporation hereinafter may grant easements for utility purposes for the benefit of the Subdivision and the Lots now or hereafter located thereon, over, under, along and through the Community Use Areas. The Developer, for itself and for the Corporation, specifically reserves the right to cause street lighting to be placed at appropriate locations within street rights of way within the subdivision, which shall include the right to subject the subdivision to a contract with Duke Power and Light Company or any other public utility as provided for in Article 13, below. Provided, however, that no such grant of easement shall have a material adverse effect on the use, enjoyment or value of any Lot.
- C. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Community Use Areas and facilities to the members of his family, his tenants or guests, or contract purchasers who reside on the property.

- D. Developer shall have the right, at its election, without the consent of any Owner or Owners, to bring within the coverage and operation of these Restrictions additional properties and amenities within the Development Area as may be developed in the future. The addition to property authorized hereby shall be made by filing of record in the Office of the Register of Deeds of Henderson County, North Carolina, a Supplementary Declaration of Covenants, Conditions and Restrictions with respect to the additional property which shall extend the operation and effect of the covenants and restrictions of this Declaration to such additional property. The Supplementary Declaration may contain such complementary additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary or appropriate in the sole discretion and judgment of the Developer to reflect the different character, if any, of the added properties and as are not inconsistent with the plan, intent, and spirit of this Declaration.
- E. Easements and rights-of-way over and upon each Lot for drainage and the installation and maintenance of utilities and services are reserved exclusively to Developer for such purposes as Developer may deem incident and appropriate to its overall development plan, as hereinafter set forth, such easements and rights-of-way also being shown or noted on the aforesaid recorded plat of the Subdivision, which plat is incorporated by reference and made a part hereof for a more particular description of such easements and rights-of-way. Any conflict between this Declaration and the plat of the Subdivision shall be controlled by this Declaration. The easements and right-of-way areas reserved by Developer on each Lot pursuant hereto shall be maintained continuously by the Owner, but no structures, planting or other material shall be placed or permitted to remain upon such areas or other activities undertaken thereon which may damage or interfere with the installation or maintenance of utilities or other services, or which may retard, obstruct or reverse the flow of water or which may damage or interfere with established slope ratios or create erosion problems. Should an owner combine two lots as one and build a residence across the common lot lines, such lot shall thereafter be considered as one lot for the purpose of these covenants, except for purposes of any assessments by Developer or the Property Owners Association, and any reserved easement along the common lines of such lot, shall be deemed to be of no effect. All easements along the outside boundaries of such lots shall remain unchanged. Improvements within such areas also shall be maintained by the respective Owner except those for which a public authority or utility company is responsible.
- F. The rights of the use of utility and service easements and right-of-way areas as provided and defined herein for any type of cable transmission system is reserved exclusively to Developer, and no other cable transmission service company or organization shall be permitted to service any Lot or combination of Lots except with the express written permission of Developer.
- G. Except for roads dedicated and constructed by the Developer of public record and easements reserved or granted by Developer during the period of Developer control, including the provisions of Article 10, paragraph I below, and/or easements of public record within the Subdivision, no Owner shall grant a right of way across his or her respective property to an owner of property whose land is contiguous to but not within the boundaries of the Subdivision, for purposes of obtaining access to a private or public road located within or adjacent to the subdivision, or for the purpose of obtaining access from the subdivision to a public road, except upon consent of seventy-five percent (75%) of the lot owners of record of the Subdivision. During the period of

Developer control, no Owner shall grant any such right of way or easement without Developer's written permission, which may be withheld in Developer's discretion.

- H. The Developer hereby reserves to itself, its successors and assigns in common with all other persons who may hereafter purchase property in the Subdivision, a perpetual right of way easement across the roads as shown on the plats hereinabove referred to, for the purpose of developing the real property located within the Subdivision.
- I. The Developer reserves unto itself, its successors and assigns, the right to use any rights of way which are shown on the plat recorded for the Subdivision and the designation of any lot or property for the purposes herein provided in this Declaration shall be subject to the rights of the Developer, its successors and assigns, to utilize such designated rights of way for the purposes of access or utility easements to adjoining properties.
- J. During the period of Developer control, Developer reserves the right to adjust the boundaries, size, or shape of any Lot in either Subdivision in Developer's discretion for reasons such as topography or other considerations.

Amended - The Developer, or the Property Owners Association established for each Subdivision if the Developer is not in control, shall be responsible for maintaining the paved surfaces of the access roads, specifically the access road leading from Mt. Hebron Road in a westerly direction to access Lots 32 and 33 of Pathways, the access road leading from Solomon Circle in a northerly direction to access Lots 23 and 24, the access road leading from Solomon Circle in a northerly direction to access Lots 26, 27, 28, and 29, and when paved the access road from Solomon Circle westerly to access Lots 6 and 7, all access roads being located with the Pathways of Solomon Jones subdivision. **Henderson Country Registry Book 1288, Page 766 dated 9/11/2001**
